

DISCLOSURE OF INSURANCE COVERAGE

Please be advised that every effort to obtain insurance information and coverage is made at the time of scheduling your appointment.

It is the responsibility of the patient to know their specific plan/benefit coverage and inform the office of all current insurances and / or any changes to their insurance carrier or policy.

All copays and service fees are based on the usual and customary fee schedule of your insurance company. If insurance is not valid or within our network, patient will be billed and responsible for payment of services rendered.

Thank you.
